January 2000

UP COMING EVENTS

January		
11	44th Annual Ocala Bull Sale	Ocala
14	Smut Grass Field Day	Immokalee
13-14	Florida Ruminant Nutrition Seminar	Gainesville
20	17th Florida Cattlemen's Institute	Kissimmee
April		
25-27	Reproduction Management School	Wauchula

The first of the year begins with several interesting educational programs for cattlemen. Above are the events and activities known at this point.

The reproduction management school cost is \$250. It fills rapidly. If you are interested in participating, be on the lookout for further information as it becomes available. We expect to receive registration information about the first of February.

Happy Holidays and a prosperous new year to everyone from the staff of the Okeechobee County Extension Service.
